

Trinity Alliance Youth

GUIDELINES FOR INDOOR ACTIVITIES

- Temperatures will be taken at the front door. Parents must not drive away until your child is cleared for drop off. If a student has a fever of 100.4 or higher, they will not be able to stay for the activity.
- Masks must be worn in all the common areas while moving around the building (lobby, bathroom, hallways, etc.). Once we are in the area where the activity will be taking place, we will do our very best to social distance appropriately. Masks can come off as each family is comfortable and then will be put on again if the student needs to use the bathroom, walk to a different area of the building, etc.
- Parents, please make sure that you know where your child will be exiting the building. If there are other groups using the building at the same time, we may have your child exit out of a different door.
- As always, your child's best interests are our priority. If you have any questions, do not hesitate to get in touch with us.
